

## Drizzle® Blue SP 20

Ready-to-use universal spray  
cleaner with odour blocker

### Area of application

- For washable, smooth and shiny surfaces made of plastic, paint, ceramic, stainless steel, aluminum and acrylic glass (PMMA)
- Also suitable for gentle cleaning of televisions, computers, laptops, tablets, smartphones, monitors and other displays
- Conditionally suitable for glass and mirror surfaces

### Product properties

- Universally applicable
- Excellent dirt-removing capacity
- Removes grip and finger marks, residues of cream, grease and nicotine, and dust
- Very good material compatibility
- Deodorising fresh fragrance with active odour blocker
- Leaves a shiny, clean and dust-repellent surface
- Highly efficient due to economical dosing

### Application and dosage

- Spray the product undiluted onto a suitable cleaning cloth and clean the surface immediately. Wipe down if necessary.
- Consumption: 4 - 8 ml / per m<sup>2</sup>

undiluted

### Note

- On cooling below room temperature, any precipitates that may occur can be brought back into solution by slight heating and do not represent a quality defect.
- Changes or variations in colour of the product do not impact on the quality. The product image may differ in colour and shape from the original.
- **Safety:** Hazard statements and safety precautions can be found in the relevant safety data sheet, which is available at [www.buzil.com](http://www.buzil.com).
- **Storage:** Always keep containers closed. Store at room temperature in the original container. Consume opened containers within 9 months.
- **Environmental:** Feed residual emptied containers to the dual system. For detailed information see environmental information.
