

# RINAX® SKINGUARD PRO H 820

Fingerprint-free universal skin protection lotion

## Fields of application

- For use before work
- Protects skin against direct contact when working materials change, or when gloves are worn occasionally
- For water-soluble and water-insoluble working materials and skin hazards which are not clearly defined
- Ideal for use in all fields that require comprehensive skin care, such as in retirement homes, hospitals, food processing companies, kitchens, schools, kindergartens and workshops etc.

## Product advantages/properties

- Unscented, fingerprint-free, general-purpose skin protection cream
- Breathable and highly effective thanks to specific film-forming agents
- Absorbs into the skin quickly and leaves no fingerprints
- Forms a flexible, firm and invisible protective film
- Silicone-free
- Complies with requirements in accordance with the HACCP concept
- Dermatologically tested

SKIN PROTECTION

# RINAX® SKINGUARD PRO H 820

Fingerprint-free universal skin protection lotion

## Application and dosage

0,6 - 1,5 ml

As a rule, the cream should be applied to well-cleaned and dry skin. It is important to thoroughly rub the cream between fingers and on fingernails. Rinax® Skinguard Pro H 820 can also be used on the face.

Bag bottle dosing via Rinax® dispenser H 854

## Note

The shelf life is maintained for up to 30 months (from the date of manufacture) if stored in closed containers at room temperature. See packaging for the actual expiration date.

The cardboard boxes and plastic packaging can be recycled. Changes or variations in colour do not impact on product quality.

## Complementary products

Rinax® Skincare H 822 - Skin care cream with natural oils and beeswax
